

Our experienced recruiters will work closely with you to find the right talent to grow your business.

Method Charlie's direct-hire placement services help your company gain access to high-quality, pre-vetted candidates. If you're looking for experienced candidates who align with your company's culture, permanent placement is a cost-effective and efficient solution that takes the uncertainty out of the hiring process.

Direct-hire placement is the fastest way to find the exact candidate you're looking for, even if that candidate isn't actively looking for new opportunities.
